

ShredMaster Government Compliant Shredders

Anyway you slice it; you should use ShredMaster

Shred more with the **new** GBC® ShredMaster® large office government compliant shredders. Run volumes continuously without risk of jamming. Oversized paper entry feeds into extra large bin to handle the demands of busy offices. Made in Germany.

Features and benefits

- Continuous duty: Shred as much as you need throughout the day
- Extra wide paper entry (16"): Easier to shred larger sized materials
- Large bin capacity: Reduces frequency for emptying shreds
- Durable construction: Strong and reliable, designed for heavy duty long-term use. Lifetime warranty on cutters (1-year for microcut and super microcut models)
- Made in Germany: Meets government requirements
- Super Quiet: Noticeably quieter, up to 10 decibels less sound than competitive models
- 2-year on-site service included
